MILITARY VETERAN SERVICES

Serving those who have served us in defending our country and our freedom.

Welcome Veterans!

At Chattahoochee Technical College, we are proud to serve those who have served our country in the United States military. We appreciate your commitment to your education and career aspirations; as such, our goal is to support you as you complete those endeavors. We will assist in your transition or return to civilian life after your military service has ended.

We value your military service. We owe you a debt of gratitude for your sacrifices and dedicated commitment to defend our freedom and our country.

Our programs of study reflect many of the labor market predictors for stable, fast-growing careers in business, technical, and healthcare related fields.

College Mission

Chattahoochee Technical College, a unit of the Technical College System of Georgia, is a public, multi-campus, two-year college that provides accessible, high-quality technical, academic, and adult education and training that promotes the economic growth and development of North Central Georgia. The college successfully prepares individuals for employment and assists them in pursuing their educational, career and personal goals through a variety of learning opportunities that include associate degree, diploma, and certificate programs, as well as non-credit and public service offerings.
